Financial Policy

Welcome to the Department of Otorhinolaryngology. The following is a statement of our financial policy. We hope this gives you a better understanding of how our billing works.

Patients have many different types of insurance and payment options for services rendered. Also, not all physicians in the practice accept the same type of insurance. The three most common scenarios are outlined below. Please read the following and if you have questions or concerns please call the office of the physician you are seeing.

Participating Plans

In this scenario the physician you will see participates with your insurance plan. It is your responsibility to ensure your physician is in fact currently a provider in that plan. At the time of service you will be responsible for all co-payments as outlined by your plan coverage. The co-payment is typically listed on your 98 insurance card. The Medical College will then forward a bill to your insurance carrier who will inform the College if any deductible or percentage of payment is due from you. You will receive written notification of such decision and may ultimately be responsible for such payments as determined by your insurance company. If your plan requires a referral, please present the referral at the time you check-in. If you do not have a referral you will be responsible for full payment at the time of service.

Non-Participating Plans

In this scenario the physician you will see does not participate in your insurance plan. Payment for services is due at the time of the visit. We can submit the claim directly to your carrier or a claim can be mailed directly to you.

Medicare

Drs. Kacker, Kuhel, Kutler, LaBruna, Modi, Pearlman, Prasad, Reisacher, Roure, Selesnick, Stewart, Sulica, and Voigt accept Medicare assignment, as do our Audiologists, Joseph Montano, Jennifer Aboud, Elaine Henry, Marjorie Klaskin, Michelle Kraskin and Hannah Shonfield. For their services, Medicare will be billed directly. Medicare will send payment directly to the physician. You will be responsible for any deductible or co-insurance.

Some of the ENT physicians and Audiologists in the practice do not accept Medicare assignment. If the provider is not listed above you will be responsible for payment at the time of service. Your claim will then be forwarded to Medicare and reimbursed directly to you.

Payment

Cash, Check, Mastercard, Visa, Discover, American Express and NYCE cards are recognized forms of payment.

We hope this information is helpful; Again, if you have any questions or concerns, please contact your physician's office.
